

Attachment B - Displacements and Relocations of Existing Uses

95th Street Station to the Dan Ryan/Bishop Ford Interchange

Dan Ryan/Bishop Ford Interchange to 99th Street

Red Line Extension Project Footprint

Displaced Building

Affected Parcel

Parcels and buildings that may be displaced are shown to illustrate maximum impacts and possible locations. Due to final refinements as project engineering progresses, the actual displacements for the Preferred Alignment may vary from what is shown. Some of the properties shown may not ultimately need to be acquired. Land only property impacts are shown on the entire lot, however, often only portions of the lot would be required. Property acquisitions will be confirmed as project engineering progresses.

99th Place to 105th Street
105th Street to 110th Place
